This is a summary only. It's subject to the terms, conditions, limitations, and exclusions set forth in additional riders or contracts your group may have bought. Check your benefit contract or Certificate for full details.

1 To be eligible for reimbursement, you must use a qualifying fitness club or center open to the public, or attend online/virtual workout classes that serve the primary purpose of improving or maintaining physical health and require a membership fee that is billed monthly, annually, or semiannually.

2 The benefit plan year is determined by your group's effective and renewal dates. Your benefit plan year is based on 12 months; therefore, this reimbursement program is based on two specific six-month periods within your benefit plan year.
